

SAFETY INSTRUCTIONS

IMPORTANT read all instructions before using:

Instructions for proper use.

- **DO NOT** splice, repair or modify.
- **DO NOT** use in wet conditions. Use indoors only.
- Keep children and pets (other than your terrarium reptiles) away.
- Fully insert plug.
- Unplug when not in use.
- Fully extend cord before using.
- **DO NOT** cover with blankets, rugs or any material.
- **DO NOT** use damaged cord sets — inspect periodically.
- **DO NOT** exceed electrical rating (100 watts max.).

SAVE THESE INSTRUCTIONS

POLARIZED

This appliance has a **POLARIZED** plug (one blade is wider than the other). To reduce the risk of electric shock, this plug is intended to fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not modify the plug in any way.

REPTILE APPLICATIONS

- **DO NOT** use this product with **CERAMIC HEAT EMITTERS**. Use Zoo Med's Repti Porcelain Clamp Lamp for all ceramic heat emitter applications up to 150 watts.
- The Repti Economy Clamp Lamp is for use **ABOVE** screen top reptile terrariums or wire iguana cages only. **NOT** for use **INSIDE** any animal cages or terrariums.
- Make sure clamp is **SECURELY CLAMPED** to the top rim of your reptile terrarium or use Zoo Med's **Repti Lamp Stand**.
- Keep high and out of reach of children.
- Avoid overheating your terrarium.
- Make sure **WATTAGE OF BULB** is correctly rated for your size terrarium.
